Provincial Child Abuse Committee Honours Decades Of Dedication

The Provincial Advisory Committee on Child Abuse (PACCA) has selected Ms. Alana Brownlee as the 2010 Ian Logan Memorial Award (ILMA) - Direct Service Recipient.

This respected award was created to recognize the outstanding contributions made by Sergeant Ian Logan, a decorated police officer, child abuse consultant, and advocate for children. As the Coordinator of the Winnipeg Police Service's Child Abuse Unit for many years, Sgt. Logan created a lasting legacy in Winnipeg's social services community.

This distinguished award is presented annually to an individual who has made a significant contribution in the field of child maltreatment prevention, and who exemplifies the qualities which were so much a part of Sgt. Logan's life: dedication to children, personal and professional discipline, and good citizenship. This year, PACCA recognizes that Ms. Brownlee is the ideal recipient based on these criteria.

As Executive Director of the Metis Child, Family and Community Services (MCFCS) Agency, Ms. Brownlee needs no introduction. Her extensive two-decade career, and unwavering dedication to protecting Manitoba's children, has qualified Ms. Brownlee as a hero in her own right. This award further solidifies Ms. Brownlee's reputation as one of the most dedicated individuals in the field of child protection.

The Metis Child and Family Services Authority wishes to congratulate Ms. Brownlee on her award, and looks forward to her continued service as Executive Director of the MCFCS Agency.

About Metis Child and Family Services Authority

The Metis Child and Family Services Authority is an incorporated entity with the responsibility to administer and manage child and family services delivery for Metis and Inuit people in Manitoba. The Authority exists to strengthen and support the well-being of Metis families and communities by ensuring the creation and development of Metis specific solutions that are responsive and sensitive to our collective history, experiences, culture and values.
